# The Audi RS Q3 & RS Q3 Sportback.

With the first RS Q3 pioneering the segment, the Audi RS Q3 has become synonymous with strength and outstanding performance. Virtues that are also reflected in the design. Now with the offering of the all-new Audi RS Q3 Sportback, a progressive SUV coupe crossover, Audi is once more a trendsetter. With this machine, performance and design leaves you breathless.

This pricelist will make it easy for you to build your RS Q3 & RS Q3 Sportback, taking you through all the option choices. The online configurator is also available to build your dream car.

Note: vehicle depicted may contain equipment not currently available for the South African market.

Engines

Engine	Capacity	Fuel type	Transmission	Power output (kW)	Torque (Nm)	Fuel consumption (l/100 km)			CO <sub>2</sub> emissions (g/km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
						Urban	Extra urban	Combined				
RS Q3	2480	Petrol	S tronic	294	480	11.9	7.4	9.1	212	4.5	250	R 1,307,600
RS Q3 Sportback	2480	Petrol	S tronic	294	480	11.9	7.5	9.1	213	4.5	250	R 1,346,900

Fuel consumption and CO<sub>2</sub> data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car.

\* RRP is inclusive of VAT, CO<sub>2</sub> emissions tax and an optional 5 year/100,000km Audi Freeway Plan

## Standard Equipment | RS Q3

### Wheels:

- ▶ Alloy wheels, 5-arm Trigon style, 8.5J x 21, 255/35 R21 tyres

## Optional extras | RS Q3

Infotainment and assistance systems:		RS Q3	RS Q3 Sportback
9ZE + GB1	<b>Audi phone box</b> Make and receive calls while on the move with outstanding signal quality thanks to coupling with the vehicle's exterior aerial. Excellent voice quality thanks to LTE support. Wireless charging of compatible smartphones. Enabling you to stay in touch at all times, even when on the road.	R5,670	R5,670
PCG	<b>Adaptive cruise control</b> Maintains speed and distance to the vehicle in front; Audi pre sense warns when critical driving situations are detected and reduces the risk of collision. With the help of a radar sensor, it detects vehicles driving ahead within the system limits and keeps the speed and distance within the control range largely constant. The control range is 0 to 200 km / h. In stop & go traffic, vehicles can brake to a standstill and, under certain conditions, start again automatically. Operation is via a separate steering column stalk. The distance can be set in five stages, the dynamics of the system can be regulated via Audi drive select or the ACC menu.	R 13,300	R 13,300
7Y1	<b>Lane change assistant</b> It's easy to miss vehicles in your blind spot. In these cases, the system warns, within system limits, of critical situations involving vehicles approaching from behind. In connection with the parking system plus or park assist, the system also warns of possible collisions when getting out and when reverse parking.	R 11,300	R 11,300
6I2	<b>Adaptive cruise assist</b> Adaptive cruise assist combines the functionality of adaptive cruise control with active lane assist. Adaptive cruise assist helps accelerate, brake and maintain speed and distance as well as stay in lane. This can increase driving comfort, especially on long journeys. Only available in conjunction with PCG at additional cost.	R800	R800
KA6	<b>360-degree cameras</b> The four wide-angled cameras cover the entire area immediately around the vehicle and enable a variety of different views for even more comfortable maneuvering. The driver can choose different views in the MMI display so that the vehicle can be positioned more easily in the parking space.	R 7,500	R 7,500

## Important information

### Welcome to Audi

#### Audi Freeway Plan | Motoring Peace of Mind

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

Recommended retail pricing is inclusive of an optional 5 year/100,000 km Audi Freeway Plan on all new Audi vehicles.

Top-up options to extend maintenance are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the y\ b u b \ exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

#### Audi Assist | Emergency and Personal Assistance

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer's roadside assistance vehicle.

Contact details within South Africa:

086 043 4838

Contact details for neighbouring states:

+27 41 994 5616

24 hours a day, 7 days a week

Vehicle model and VIN number will be required.
