The Audi A4 and S4

It’s lighter, more agile and more advanced than its predecessor. We’ve enhanced almost every part of the Audi A4, bringing innovative features to the cabin and putting more power under the bonnet. The design has been refined, the technology has advanced and we've updated our range of engines and transmissions.

This pricelist will make it easy for you to build your A4 or S4, taking you through all the model, engine and option choices. The online configurator is also available to build your dream car.
Standard Equipment | A4

**Wheels:**
- Forged alloy wheels, 10-spoke style, 7.5J x 17 with 225/50 R17 tires
- Anti-theft wheel bolts
- Space-saving spare wheel
- Tyre pressure monitoring display

**Performance & suspension:**
- Audi Drive Select (40 TFSI/TDI only)
- Electronic Stabilisation Programme (ESP)
- Electronic stability control (ESC)
- Electromechanical power steering
- Start/stop system (TFSI only)
- Servotronic steering
- Cruise control
- Speed limiter
- Hill hold assist

**Exterior equipment:**
- Acoustic windscreens
- Anti-theft alarm
- Carjack
- Central locking with remote control key
- Exterior mirror housings painted in body colour
- Exterior mirrors electrically adjustable
- Door sill trims with aluminium inlay

**Audio & communication:**
- 8 speakers
- Bluetooth interface
- MMI radio plus
- USB and Aux-in jack

**Interior equipment:**
- Automatic air conditioning
- Dipping interior mirror
- Driver and front passenger airbag with knee airbag
- Driver information system
- First aid kit with warning triangle
- Floor mats at front and rear
- Folding rear seat back

**Interior equipment (continued):**
- Front centre armrest
- Front head restraints
- Front seats, manually adjustable
- Headlining, cloth
- Heat-insulating glass
- Leather/artificial leather combination
- Inlaysin Micrometallic silver
- Interior ambient lighting package
- Interior mirror, frameless, with automatic anti-glare action
- ISOFIX child seat mounting & top tether anchorage for outer rear seats
- ISOFIX child seat mounting for passenger seat
- Keyless start
- Leather-covered multifunction sports steering wheel, 3-spoke design
- Luggage compartment mat
- Non-smoker's package
- Power-operated child safety lock
- Seat belt monitoring
- Side airbags at front and head airbag system
- Standard seats at front
- Three rear head restraints

**Lighting:**
- Xenon plus headlights
- Automatic headlight range adjustment
- Light / rain sensor
- Separate daytime running lights
Standard Equipment | A4 Sport line  (in addition to A4)

Wheels:
- Cast alloy wheels, 5-parallel-spoke style, 7.5J x 17 with 225/50 R17 tyres

Performance & suspension:
- Sports suspension

Exterior equipment:
- Rear diffusor in twilight
- High-gloss package
- Tailpipe trims in chrome
- Radiator grille in twilight and inlays in chrome

Interior equipment:
- Inlays in aluminium ellipse
- Front sports seats
- 3-spoke leather steering wheel with multifunction
Standard Equipment (in addition to A4)

Wheels:
- 19-inch cast aluminium wheels, 5-spoke V design, contrast grey, size 8.5J x19 with 245/35 R19 tyres
- Space-saving spare wheel
- Tyre pressure monitoring system

Performance & suspension:
- quattro® with self-locking centre differential
- Progressive steering
- S Sports suspension

Audio & communication:
- Audi sound system

Interior equipment:
- 4-way lumbar support for the front seats
- Alcantara "Frequenz”/leather combination
- Ambient lighting package
- Audi pre sense basic
- Comfort centre armrest in front
- Comfort key with sensor-controlled luggage compartment release
- Decorative inserts in Matte Brushed Aluminum
- Driver information system with colour display
- Folding rear seat backrest
- Headliner in Black fabric
- Luggage compartment lid, automatically opening
- Pedals and footrest in stainless steel
- Power-adjustable front seats
- Sports contour leather-wrapped steering wheel w/ multi-function Plus, 3-spoke, flat-bottomed
- Sports seats in front

Lighting:
- LED headlights
- LED rear lights with dynamic indicator
- Automatic headlight range adjustment dynamic (self-adjusting while driving)

Exterior equipment:
- Exterior mirror housings in aluminium look
- High-gloss package
- Rear parking aid
- Scuff plates with aluminum inserts and "Rhombus S" logo, illuminated

Fuel consumption and CO₂ data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car. It is recommended that all TDI engines use a maximum of 50ppm diesel fuel or less.

* RRP is inclusive of VAT and CO₂ emissions tax

<tr>
<td>Includes Matrix LED headlights with LED rear lights and dynamic front and rear indicators. Audi Matrix LED technology provides precise illumination of the road whilst reducing the risk of dazzling other road users. Using information from the vehicle’s sensors, camera and MMI Navigation (if equipped), Matrix LED calculates the appropriate lighting required and automatically dips or turns off individual lighting diodes, creating corridors of lights either side of the vehicle or the object in front of it. It includes dynamic front and rear indicators which swipe from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction.</td>

Welcome to Audi

Audi Freeway Plan | Motoring Peace of Mind
There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.
The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

A five-year or 100 000 km Audi Freeway Plan is included as standard on all new Audi vehicles.

Top-up options to extend maintenance up to 7 years, or 200 000 km are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to the Audi’s standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

Audi Assist | Emergency and Personal Assistance
Audi Assist is a programmewhereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.
The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer’s roadside assistance vehicle.
Contact details within South Africa:
086 043 4838

Contact details for neighbouring states:
+27 41 994 5616

24 hours a day, 7 days a week
Vehicle model and VIN number will be required.
