

**Some see elegance.  
We see engineering  
excellence.**

The new Audi A5 and S5  
with Audi connect.\*

Standard with a 5 year /  
100 000km Audi Freeway Plan.

**#FutureIsAnAttitude**

\*Audi connect is not supported outside of South Africa.

A silver Audi A5 sedan is shown from a rear three-quarter view, parked on a paved surface. The car is positioned in front of a modern building with a facade of large, light-colored hexagonal tiles. The lighting is soft, highlighting the car's sleek lines and the texture of the building's exterior.

Create an exceptional first impression with the new Audi A5 and S5 Sportback, Coupé and Cabriolet. Building on the Audi A5's exceptional design pedigree, this beautifully refreshed model is even more dynamic in its appearance.

The Audi A5 range now features a tauter look and the very cutting-edge of MMI touch-operated technology.

# Audi connect.\* Forward thinking on the go

Available for all models in the Audi A5 and S5 range, Audi connect gives passengers and drivers an impressively high level of comfort and convenience. By harnessing the power of an onboard mobile connection, it allows you and your passengers to enjoy a range of enhanced safety, security, navigation and infotainment features, including a Wi-Fi hotspot.

## Forward thinking on the go

Available for all models in the Audi A5 and S5 range, Audi connect gives passengers and drivers an impressively high level of comfort and convenience. By harnessing the power of an onboard mobile connection, it allows you and your passengers to enjoy a range of enhanced safety, security, navigation and infotainment features, including a Wi-Fi hotspot.

### Safety & Security Features

#### Car Finder

Car Finder turns your smartphone into a remote control so you can find your car by activating the horn or flashing the headlights or receiving walking directions to your vehicle.

#### Online Roadside Assistance

In the event of a breakdown, Audi Roadside Assistance effortlessly connects you with a professional breakdown service, sending accurate vehicle and location data to the breakdown call centre.

#### Emergency Call

In the event of a significant accident your car automatically connects to the Audi emergency call centre, and can transmit the GPS position, driving direction, and number of passengers in your car to relevant local authorities.

#### Theft Alarm Notification

Receive immediate smartphone alerts if your car is being broken into or tampered with.

## Forward thinking on the go

### Navigation and Infotainment features

#### Detailed Point of Interest Display

Use the online search engine to stream travel information about your destination, find tourist spots and save locations directly onto your preferred route for future trips.

---

#### Navigation with Google Earth

Satellite mapping provides up-to-date street information from your regular map view, with high-resolution aerial and satellite images available in all zoom-levels of the map.

---

#### Parking Information

Parking Information helps you find available parking spaces at your destination or the nearest car park and check prices of parking fees.

---

#### Predictive Route Guidance

View live traffic updates and alternative routes to plan your route based on current traffic flow and predicted deviations.

## Design

With its wide air inlets and subtle chrome trims, this elegant sedan impresses even before your first drive. At the side, the new Audi A5's sportier appearance is underscored by centre-accentuated sills, the optional 20-inch cast aluminium wheels are emphasized by pronounced wheel arches, while the horizontal trims in matte aluminium silver on the diffuser and tailpipe trims elegantly reinforce the wide rear.

## Performance

The new Audi A5's dynamic steering automatically adjusts the vehicle's steering ratio and force to its speed, putting irresistible sportiness and ride comfort right in your hands. And at the top of the range, the new Audi S5's 260 kW, 3.0-litre TFSI engine will accelerate you from 0 to 100km per hour in only 4.7 seconds.
