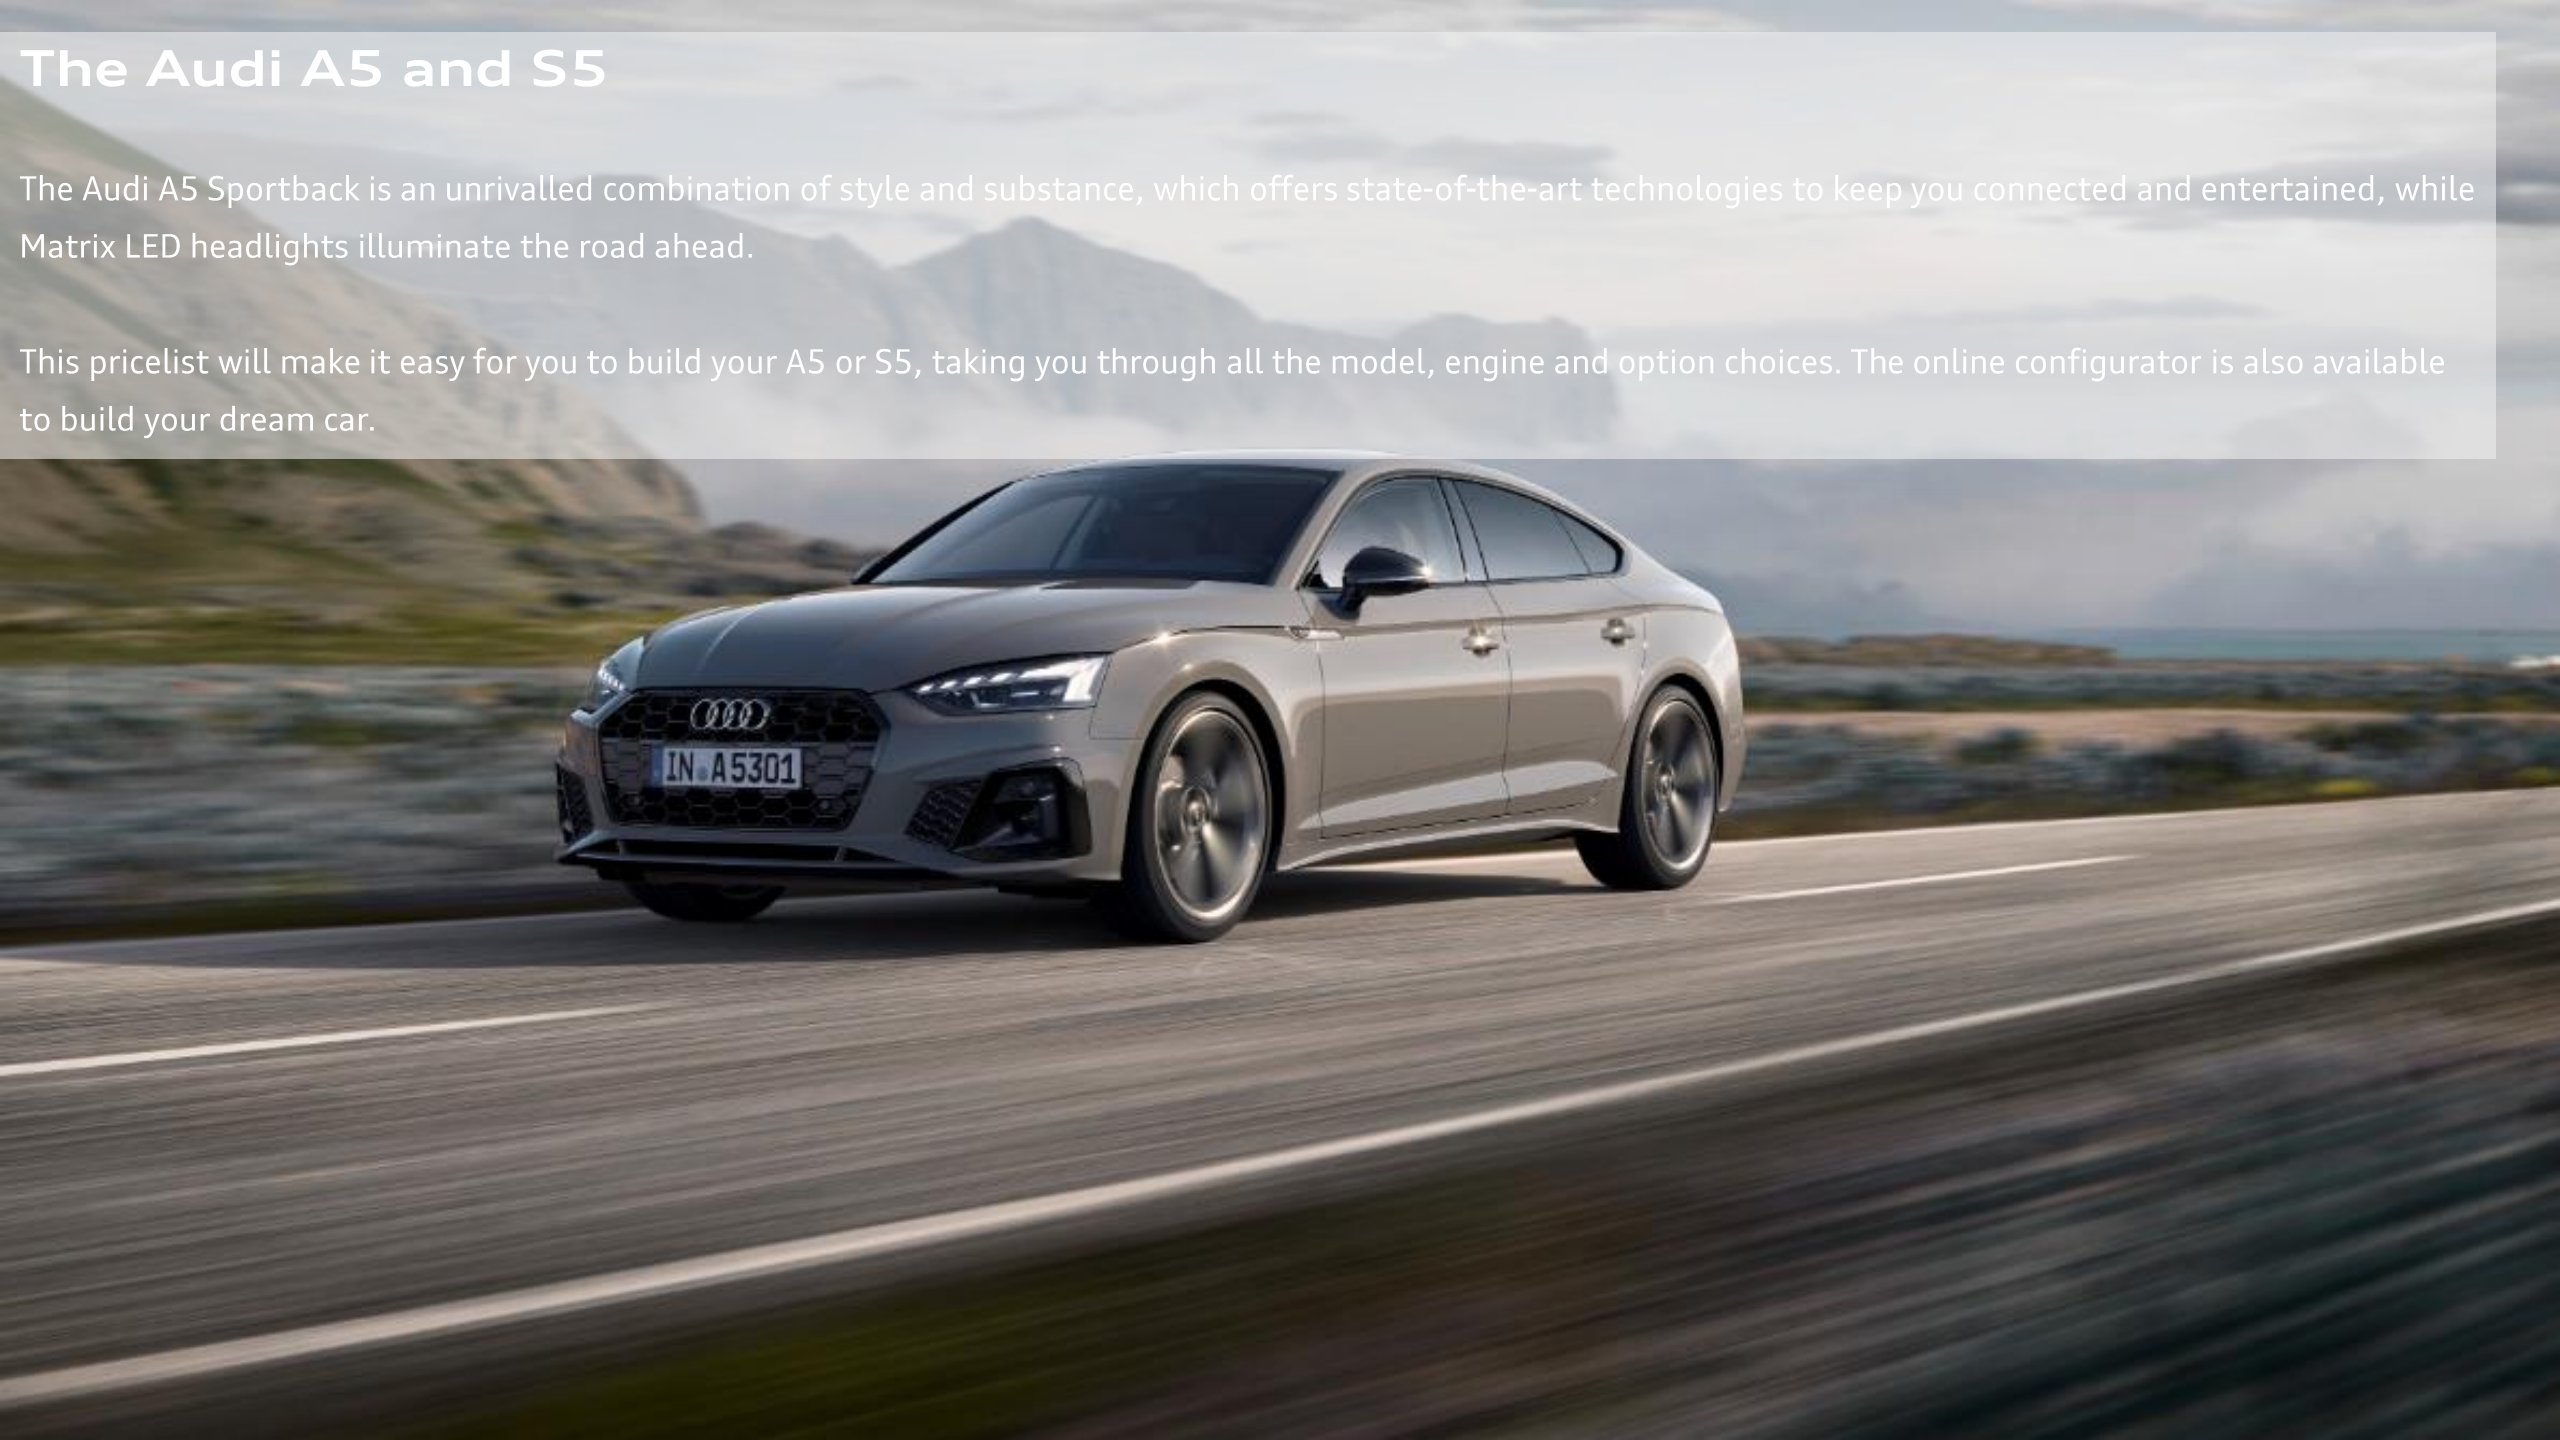
July 2022

The Audi A5 and S5

The Audi A5 Sportback is an unrivalled combination of style and substance, which offers state-of-the-art technologies to keep you connected and entertained, while Matrix LED headlights illuminate the road ahead.

This pricelist will make it easy for you to build your A5 or S5, taking you through all the model, engine and option choices. The online configurator is also available to build your dream car.



A5|S5 Sportback

Engines

Engine	Fuel type	Transmission	Power output (kW)	Torque (Nm)	Fuel consumption (l/100 km)			CO_2 emissions (g/km)	0 – 100 km/h (sec)	Top speed (km/h)	RRP*
					Urban	Extra urban	Combined				
40 TFSI	Petrol	S tronic	140	320	8.1	5.6	6.5	148	7.5	241	R 820,300
40 TFSI S line	Petrol	S tronic	140	320	8.1	5.6	6.5	148	7.5	241	R 865,300
40 TDI quattro S line	Diesel	S tronic	140	400	7.3	5.2	6.0	162	7.6	235	R 911,000
S5 TFSI quattro	Petrol	tiptronic	260	500	11.9	7.0	8.8	202	4.8	250	R 1,143,700

Fuel consumption and CO_2 data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car.

* RRP is inclusive of VAT, CO_2 emissions tax and an optional 5 year/100,000km Audi Freeway Plan

Optional Equipment

		40 TFSI	40 TFSI S line	40 TDI quattro S line	S5 TFSI
Lighting:					
PXB	**Matrix LED headlamps with Audi laser light, LED rear combination lamps and headlamp washer system** Provides precise illumination of the road whilst reducing the risk of dazzling other road users. Using information obtained from the vehicle's sensors, camera and MMI Navigation (if equipped), it identifies the appropriate lighting required. Using these sources, Matrix LED dips or fully extinguishes individual lighting diodes when vehicles are detected ahead. Matrix LED calculates the appropriate lighting required and automatically dips or turns off individual lighting diodes, creating corridors of light either side of the vehicle or the object in front of it. Includes dynamic front and rear indicators which sweep from inside to out. The Audi laser light supplements the LED high beam at higher speeds and provides the driver with a noticeable increase in safety and comfort thanks to its almost twice as long range.	R12,950	R12,950	R12,950	R12,950
Mirrors:					
6XL	**Door mirrors (folding with auto-dimming and memory function)** Auto-dimming with memory function, electrically folding, adjustable and heated with built-in LED side indicators and kerb-view function for passenger side. Only available in combination with electrically adjustable front seats with memory function (PV3)	R5,400	R5,400	R5,400	R5,400
YKO	**Carbon exterior mirror housings** Exterior mirror housings in high-quality carbon add a sporty touch.	R12,200	R12,200	R12,200	R12,200
Roof/locking/towing systems:					
3FB	**Panoramic glass sunroof** Electrically tilting and opening. Includes an electrically adjustable sunshield and convenience closing via the central locking remote control. The integrated wind deflector reduces wind noise when the roof is open	R22,000	R22,000	R22,000	R22,000
1D4	**Trailer towing hitch** Manually swiveling ball head with electric release. Operated via a button in the luggage compartment.	R15,300	R15,300	R15,300	R15,300
PGD	**Convenience key with sensor-controlled luggage compartment release including anti-theft alarm** Allows the driver to keep their key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. Pressing the start/stop button integrated in the centre console, switches the engine on and off.	R9,100	R9,100	R9,100	S

Optional Equipment

Audio and Communications:		40 TFSI	40 TFSI S line	40 TDI quattro S line	S5 TFSI
9ZE	**Audi phone box (forces GB1 at no additional cost)** Offers wireless charging with QI enabled compatible phones and creates an additional Bluetooth interface for a second device, therefore allowing two mobile phones to be connected to the vehicle simultaneously.	R6,200	R6,200	R6,200	R6,200
GB1	**LTE module for Audi phone box**	No cost	No cost	No cost	No cost
9VS	**Bang & Olufsen Premium Sound System with 3D sound** The system features 19 speakers (including center speaker / subwoofer and additional 3D sound tweeters and midrange speakers); 16-channel amplifier (755 watts); Illumination of the front loudspeaker panels; speed-dependent volume adjustment; spatial sound reproduction through the sound feature 3D sound. This is generated by additional loudspeakers in the A-pillar, by the mid-range speakers and by Fraunhofer Symphoria technology.	R12,700	R12,700	R12,700	R12,700
9JE	**USB charging interface for rear seat passengers**	R1,200	R1,200	R1,200	R1,200

Optional Equipment

Assistance systems:		40 TFSI	40 TFSI S line	40 TDI quattro S line	S5 TFSI
KA2	**Rearview camera** An image of the area behind the vehicle is shown in the MMI display with dynamic display modes highlighting the calculated path or steering angle (individual option price if not ordered as part of comfort package)	R7,700	R7,700	R7,700	S
PCE	**Assistance package including Audi pre sense plus (with Adaptive cruise control, lane keeping system and multifunction camera)** Automatic distance regulation, using radar sensors to maintain the required distance between vehicles ahead by braking and accelerating. In conjunction with S tronic or Tiptronic, includes Stop&Go function, where the system brakes the car to a stop. The driver can select from 5 distance thresholds and influence the systems acceleration behaviour via Audi Drive Select. Also features Traffic-jam assist which detects vehicles ahead and on adjacent lanes to assist with the braking, acceleration and also steering up to approximately 60km/h, to keep the vehicle in lane.	R34,000	R34,000	R34,000	R34,000
PCH	**Audi lane change assist including Audi Pre-sense rear** Aids the driver when changing lane by monitoring the area behind the car. It informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot. Also includes Audi Pre-sense Basic that, where necessary, takes action to help protect the driver and passengers if a potential collision is detected. While Audi Pre-sense Rear monitors vehicles following from behind and if a potential collision is detected the driver is first warned visually via flashing light, then Audi Pre-sense Basic measures are initiated. The system is deactivated when towing.	R12,500	R12,500	R12,500	R12,500
PCZ	**City assistance package with Park assist package** Includes, Audi pre sense rear, Audi side assist, Park assist with front and rear view camera and two side cameras). This package includes the latest technology to provide help in busy traffic situations, when changing lane, exiting your car and when reversing – for the convenience and protection of all occupants.	R48,500	R48,500	R48,500	R30,500
PCF	**Park Assist package** Park assist can automatically steer the car into parallel or perpendicular parking spaces. It uses ultrasonic sensors located in the front and rear bumpers and on the sides. The driver only has to accelerate, brake and shift gears. The package includes a 360-degrees camera system.	R36,300	R36,300	R36,300	R36,300
KS1	**Head-up display** Projects warning messages or driving-related information from assistance systems and the navigation system (if ordered) in full colour onto the windscreen in the driver's direct field of vision, giving the driver faster access to information. The display can also be adjusted in height	R15,150	R15,150	R15,150	R15,150

Optional Equipment

Suspension, brakes & steering:		40 TFSI	40 TFSI S line	40 TDI quattro S line	S5 TFSI
1BE	**Sports suspension** Lowered by 20mm compared to Comfort Dynamic suspension, with stiffer suspension and damping for more direct contact with the road and sportier handling.	R6,400	S	S	---
GH2	**quattro with Sports differential** The electronically regulated Sport differential distributes variable amounts of driving force to each rear wheel, improving stability and agility, especially when cornering. It ensures better direct steering characteristics and, thanks to less steering effort, more agile handling.	---	---	---	R28,600
1N8	**Dynamic steering** Enhances driving dynamics and ride comfort by regulating the steering according to the driving situation. With this technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.	---	---	---	R21,100

Important information

Welcome to Audi

Audi Freeway Plan | Motoring Peace of Mind

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

Recommended retail pricing is inclusive of an optional 5 year/100,000 km Audi Freeway Plan on all new Audi vehicles.

Top-up options to extend maintenance are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to Audi's standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

Audi Assist | Emergency and Personal Assistance

Audi Assist is a programme whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer’s roadside assistance vehicle.

Contact details within South Africa:

086 043 4838

Contact details for neighbouring states:

+27 41 994 5616

24 hours a day, 7 days a week

Vehicle model and VIN number will be required.
