The Audi A5 and S5

Enhanced design. Luxurious interiors. Our latest technology. Introducing the newest evolutions of the Audi A5 and S5. Whether you choose the sculpted Coupé, open-top Cabriolet or 5-seater Sportback, with innovative options like Audi Virtual Cockpit and Matrix LED headlights, you can make your A5 your own.

This pricelist will make it easy for you to build your A5 or S5, taking you through all the model, engine and option choices. The online configurator is also available to build your dream car.
Standard Equipment | A5 Sport line

**Wheels:**
- Cast alloy wheels, 5-segment-spoke style, size 8.5J x 18
- Anti-theft wheelbolts
- Tyre mobility kit
- Tyre pressure monitoring system

**Exterior equipment:**
- Anti-theft alarm system
- Body-coloured exterior mirror housings
- Exterior mirrors, power-adjustable
- Fully automatic acoustic top
- High-Gloss styling package

**Performance & suspension:**
- Audi drive select
- Cruise control system incl. speed limiter
- Electromechanical power steering
- Hill hold assist

**Audio & communication:**
- Audi music interface
- Audi sound system
- Bluetooth interface

**Interior equipment:**
- Ambient lighting package
- Auto-dimming interior rearview mirror, frameless
- Automatic air conditioning system
- Child seat anchors in front
- Comfort centre armrest in front
- Decorative inlays in Silver Aluminum Ellipse
- Driver information system with color display
- First aid kit and warning triangle
- Floor mats in front and rear
- Folding rear seat backrest
- Front head restraints

**Interior equipment (continued):**
- Front seat convenience entry function
- Front seats, manually adjustable
- Full-size airbags with front passenger airbag deactivation
- Headliner in fabric
- ISOFIX child seat anchors and top tether for the rear seats
- Leather-wrapped steering wheel, 3-spoke, with multifunction Plus
- Leather/leatherette combination
- Luggage compartment floor mat
- Non-smoker’s package
- Parking aid front and rear
- Side airbags in front
- Sports seats in front
- Tool kit

**Additional equipment for 45 TFSI quattro:**
- quattro with self-locking centre differential
- Power-adjustable front seats
- Space-saving spare wheel
Standard Equipment (in addition to A5)

Wheels:
- 19-inch Alloy wheels, 5-spoke Cavostyle, 8.5J x 19 with 255/35 R19 tires
- Space-saving spare wheel
- Tyre pressure monitoring system

Performance & suspension:
- quattro® with self-locking centre differential
- S sports suspension

Exterior equipment:
- Exterior mirror housings in aluminium look
- Exterior mirrors power-adjustable and heated
- Scuff plates with aluminum inserts and "Rhombus S" logo, illuminated

Interior equipment:
- 4-way lumbar support for the front seats
- Audi pre sense basic
- Comfort key with sensor-controlled luggage compartment release (with SAFELOCK)
- Contour/ambient lighting package, multi-colour
- Inlays in Matte Brushed Aluminum
- Emblems
- Fine Nappa leather
- Headliner in Black fabric
- Pedals and footrest in stainless steel
- Pneumatically adjustable lumbar support with massage feature for the front seats
- Power-adjustable front seats
- Rear bench seat with storage tray in the seat
- Rear view camera system
- S sports seats in front
- Sports contour leather-wrapped steering wheel w/ multi-function Plus, 3-spoke, flat-bottomed

</table>

Fuel consumption and CO₂ data applies to the German Market. The specified values are determined in accordance with certain test procedures. The specifications do not refer to an individual vehicle but serve only as a basis for comparing the different types of vehicles. In addition, the consumption figures achieved during normal driving may differ from the test values, depending in particular on special equipment fitted, vehicle loading, personal driving style, road and traffic conditions, environmental factors and conditions of the car. It is recommended that all TDI engines use a maximum of 50ppm diesel fuel or less.

* RRP is inclusive of VAT and CO₂ emissions tax

<tr>
<td>Audi Side Assist aids the driver when changing lane by monitoring the area behind the car. It informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot. Also includes Audi Pre-sense Basic that, where necessary, takes action to help protect the driver and passengers if a potential collision is detected. While Audi Pre-sense Rear monitors vehicles following from behind and if a potential collision is detected the driver is first warned visually via flashing light, then Audi Pre-sense Basic measures are initiated. The system is deactivated when towing.</td>

Important information
Welcome to Audi

Audi Freeway Plan | Motoring Peace of Mind

There can be no better motoring peace of mind than knowing that your car will be serviced, maintained and repaired, should this prove necessary, at no cost to you. Thanks to Audi Freeway Plan, that peace of mind could be yours.

The Audi Freeway Plan absorbs all maintenance and service costs, with the exception of between-service top-up fluids, fuel, cracked or broken glass, and tyres.

A five-year or 100,000 km Audi Freeway Plan is included as standard on all new Audi vehicles.

Top-up options to extend maintenance up to 7 years, or 200,000 km are available at extremely competitive rates. Audi has specially designed the Audi Freeway Plan for easy operation on the part of the owner. Making an appointment with any one of our approved Audi Servicing Dealers can effect regular servicing and maintenance as well as repairs (with the exception of accident damage).

All work is handled by the relevant service department, which will liaise directly with the Audi Freeway Plan Maintenance Unit. No extra effort or payment is required from the Audi owner. The Audi Freeway Plan is registered with the vehicle and as such is transferable to the new owner should the car be sold before the Audi Freeway Plan has expired, giving added resale value. The Audi Freeway Plan is available in addition to the Audi’s standard one-year/unlimited distance vehicle warranty. The Audi Freeway Plan is subject to certain exclusions, covers any repairs necessary after the expiry of the standard warranty.

Audi Assist | Emergency and Personal Assistance

Audi Assist is a programmes whereby Audi of South Africa and its Dealer Network pledge to provide you with peace of mind motoring by providing the infrastructure to support a countrywide emergency service 24 hours a day, every day.

The programme is known as Audi Assist and operates within the borders of South Africa as well as Namibia and Botswana. The objective of the programme is to ensure on the spot roadside assistance offered by a fully equipped and trained Audi technician.

The primary focus is to get you mobile in your own vehicle. Where a roadside repair cannot be effected and the vehicle needs to be towed to the nearest Audi dealer, you and the occupants of the vehicle will be transported to a place of safety in the dealer’s roadside assistance vehicle.

Contact details within South Africa:
086 043 4838

Contact details for neighbouring states:
+27 41 994 5616

24 hours a day, 7 days a week
Vehicle model and VIN number will be required.
A5 Cabriolet dimensions
All the measurements you need

See the exact dimensions of the Audi A5 Cabriolet, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.
